

Lawrence Haddad
 Institute of Development Studies, UK
(Curriculum Vitae Summary)

Personal Details: *Date of Birth:* 17 June 1959
 Nationality: British

Experience

Professor Lawrence Haddad is Director of the Institute of Development Studies. Prior to that for 10 years he was the Director of the Food Consumption and Nutrition Division at IFPRI. An economist, his main research interests are at the intersection of poverty, food insecurity and malnutrition.

He is the UK's representative on the Steering Committee of the High Level Panel of Experts (HLPE) of the UN's Committee on World Food Security.

He has published extensively in peer reviewed outlets on these topics and is currently supervising research on the enabling environment for undernutrition reduction.

Education

1988 Ph.D in Food Research, Stanford University
 1983 M.S. in Resource Economics (Minor in Nutrition), University of Massachusetts, Department of Agricultural and Resource Economics
 1980 BSc (First Class Honours) in Food Science and Food Economics, University of Reading, Departments of Agricultural Economics and Food Science

Work

2004 – present Director, Institute of Development Studies. Professor of Development Studies.
 1994 – 2004 Director, Food Consumption and Nutrition Division, International Food Policy Research Institute (IFPRI), Washington
 1990 – 1994 Research Fellow, Food Consumption and Nutrition Division, IFPRI
 1991 – 1994 Part-time Adjunct Professor, Graduate Program in Rural Households and Development Strategies, School for the Advances International Studies (SAIS), Johns Hopkins University
 1987 – 1990 Lecturer in Quantitative Development Economics, Department of Economics, and Deputy Director, Development Economics Research Centre, University of Warwick.
