CURRENT EMPLOYMENT: Research Officer

DATE OF BIRTH: 29/05/74

NATIONALITY: British

LANGUAGES: English (Fluent), French (Fair) German (Fair)

THEMATIC EXPERTISE: Sexuality and Development, LGBTI human rights activism, Sexuality and Poverty, Gender, Digital Citizenship, Knowledge Platforms

GEOGRAPHICAL EXPERTISE: UK, Philippines, Nigeria, Germany, Uganda, Ethiopia, Brazil

OVERVIEW

Current research interests:

- Convening research working group examining how gender and sexual rights activists engage with digital spaces to develop political strategies, engage as citizens with state actors and contribute to creation of innovative digital methodologies and spaces. (2015-Present)
- Examination the intersections between sexuality and poverty, with the aim of improving economic policy and programming to support people marginalised as a result of their sexuality. Working closely with established networks and movements, basing our strategies drawn from local communities that are most affected. (DFID Accountable Grant 2012 – 2016, convening poverty stream)
- Developing quantitative online participatory methodologies and examining the wider use of digital and online platforms for sexual minorities to build community and access livelihoods. (DFID Accountable Grant 2014 – 2016)
- Promoting reflection and analysis amongst key stakeholders within Nigeria working to improve the lives and life chances of adolescent girls and women by strengthening the enabling environment to overcome gender inequality. (Voices for Change programme 2014 – 2017)
