DATE OF BIRTH: **19/05/1976**

NATIONALITY: **British / French**

LANGUAGES: **English, French**

THEMATIC EXPERTISE: **Resource Politics, Conflict, Violence and Peace Studies, Water Governance**

GEOGRAPHICAL EXPERTISE: **West Africa (especially Cote d'Ivoire and Sierra Leone)**

OVERVIEW

Dr Jeremy Allouche is currently a Research Fellow at the Institute of Development Studies, University of Sussex, and a member of the ESRC funded STEPS Centre, the Sussex Center for Conflict and Security Research and the Sussex African Center. His fields of interests are the intersection between global environmental change, security and development. He has worked with development agencies (DfID, SDC), multilateral organizations and international NGOs and has made many media appearances (Radio 4, BBC, The Guardian). He is currently leading two major projects, a new project funded by DFID/ESRC on Large Development Investment and Local Peacebuilding in Rural Africa (co-PI Jeremy Lind), and a STEPS Centre project on the water/energy/food nexus (co-PI Dipak Gyawali and Carl Middleton).
