CURRENT EMPLOYMENT: **Research Fellow, and Cluster Leader**

LANGUAGES: **English (bilingual), Swedish (bilingual), French (working level), and Spanish (basic).**

---

## OVERVIEW

A Research Fellow at the Institute of Development Studies, Jerker has strong technical skills in: gender and masculinities, HIV prevention, sexual and reproductive health, children and youth affected by AIDS, participation, civil society support and international health. He has skills in inter-disciplinary community-based research, research synthesis and evidenced-based policy formulation, plus proven assessment, planning and programme development skills. He has extensive experience in organisational management, team building, leadership and development. Throughout his 30 year career in international development he has focused on Gender and Masculinities, Children and youth, HIV, and on Sexual and Reproductive Health and Rights. He has experience from a diverse range of over 30 countries and has many years' engagement in post-graduate teaching and research. He has work experience in a diverse range of nine development and health organisations.

---
