CURRENT EMPLOYMENT: Research Fellow

LANGUAGES: English (bilingual), Swedish (bilingual), French (working level), and Spanish (basic).

---

## OVERVIEW

A Research Fellow at the Institute of Development Studies, Jerker has strong technical skills in: gender and masculinities, marginalised groups (predominantly in urban areas), HIV prevention, sexual and reproductive health, gender dynamics of civic participation and participatory research with vulnerable groups. He has skills in inter-disciplinary community-based research, research synthesis and evidenced-based policy formulation, plus proven assessment, planning and programme development skills. He has extensive experience in organisational management, team building, leadership and development. Throughout his almost 40-year career in international development he has focused on gender and masculinities, power and participation, youth, HIV and on Sexual and Reproductive Health and Rights. Primarily focused on South Asia and East Africa, he has experience from a range of over 30 countries and has many years' engagement in post-graduate teaching and research. He has work experience in a diverse range of nine development and health organisations.

---
