CURRENT EMPLOYMENT: **Research Fellow**, Institute of Development Studies
Economist, International Centre for Tax and Development

NATIONALITY: Belgian

LANGUAGES: Dutch (native), English (full proficiency), French (proficient), Spanish (moderate)

THEMATIC EXPERTISE: Tax policy and administration, Public finance, Economic development

GEOGRAPHICAL EXPERTISE: sub-Saharan Africa, Burundi

OVERVIEW

Roel is a development economist with over 5 years of experience in advisory and research roles working in East Africa and Europe. He specialises in domestic resource mobilisation and tax reform in developing countries and fragile states. In previous roles he was also involved in cash and debt management. Given his multidisciplinary background, he maintains primary research interests in the political and societal factors that affect governments' fiscal capacity.
