CURRENT EMPLOYMENT : PhD Researcher, Institute of Development Studies
NATIONALITY : Indonesian
LANGUAGES : Indonesian (native), English (advanced)
THEMATIC EXPERTISE : Citizens' Participation, Citizenship, Participatory Governance, Political Space, Power, Rural Development
GEOGRAPHICAL EXPERTISE : Indonesia

OVERVIEW

Endah is currently a postgraduate researcher at the Institute of Development Studies, UK. Her work is focused on how citizens participate across different political spaces in the context of participatory village governance and how do these experiences shape their experiences of citizenship. She uses qualitative and participatory methods to investigate participation and citizenship from the policymakers' perspective and citizens' views. She is experienced in teaching and facilitating development administration through various trainings and courses such as development planning, development monitoring, development issues and paradigm, and the politics of development.
